

This purchase agreement (together with all attachments referenced herein, collectively, the “Agreement”), made and entered into by and between Atlantic Emergency Solutions, Inc., a Virginia corporation (“Atlantic”), and Kempsville Rescue Squad, Inc., (“Customer”) is effective on the last signature date set forth on the signature lines below (the “Effective Date”).

1. Purchase and Payment. Customer agrees to purchase and Atlantic agrees to sell to Customer the ambulance (and any associated equipment) furnished by Atlantic to Customer (hereinafter referred to, collectively, to as the “Ambulance”) as more fully described in the specifications attached hereto as Exhibit A (the “Specifications”) and incorporated herein for the total purchase price of \$238,270.00 USD (the “Purchase Price”). Payment shall be made as set forth on Exhibit A. In the event of a conflict between the Specifications and any request for proposal, request for bid, or other Customer provided or drafted documents, the Specifications shall control.
2. Changes to Specifications. If, subsequent to the Effective Date of this Agreement: 1) the manufacturer of the Ambulance (or a manufacturer of a component therein) makes design and/or production changes, including, but not limited to future drivetrain upgrades (such as engine, transmission or axle upgrades) (“Manufacturer Modifications”); or 2) design or production changes are made to the Ambulance to comply with any applicable government regulation (such as the Federal Motor Vehicle Safety Standards or the Environmental Protection Agency Emissions Standards) or industry standards (such as those adopted by the National Fire Protection Association) (cumulatively referred to hereinafter as “Compliance Modifications”), and if there is an increase in costs to Atlantic as a result of Manufacturer Modifications or Compliance Modifications, the Purchase Price shall be automatically adjusted to reimburse Atlantic for said costs. Atlantic shall make reasonable efforts to advise the Customer of such changes within a reasonable time and provide documentation to support any changes in price to Customer upon request. In addition, Customer and Atlantic may agree to make changes to the Specifications, but any such changes must be by written change order signed by Customer and Atlantic (“Change Order”). However, in the case of Manufacturer Modifications or Compliance Modifications resulting in additional costs to Atlantic, Atlantic may execute Changes Orders without joinder of Customer, and any such Change Orders shall be binding on Customer. Atlantic shall not be liable to Customer for any delay in performance or delivery arising from any Change Order.
3. Cancellation or Default by Customer. In the event that Customer cancels its order or otherwise breaches this Agreement by reason of non-payment or otherwise prior to delivery, Atlantic shall be permitted to retain possession and ownership of the Ambulance and shall not be obligated to deliver same to Customer. In addition, Atlantic and Customer agree that if such Customer breach were to occur, it would be difficult to determine actual damages to Atlantic. Customer acknowledges and agrees that: 1) the Ambulance is a unique and highly customized vehicle, made specifically for Customer; 2) Atlantic has invested a significant effort and incurred significant expense in the design and engineering of the Ambulance for Customer; and 3) due to its unique and customized nature, resale of the Ambulance will be difficult to a third-party without a significant loss to Atlantic. As a result, Atlantic and Customer agree that Thirty Percent (30%) of the Purchase Price is a reasonable estimate of the damages that would be incurred by Atlantic if a breach occurred in the future and shall be due and payable to Atlantic by Customer in the case of such a breach. Customer and Atlantic agree that this amount of liquidated damages is fair and reasonable and would not constitute a penalty to Customer. In the event of non-payment by Customer subsequent to delivery, Atlantic may recover full possession of the Ambulance by any lawful means, and shall be entitled to any additional damages sustained by Atlantic as a result of any diminution of value of the Ambulance resulting from use or damage thereto to the extent that such damages exceed the liquidated damages above. Atlantic shall have and retain a purchase money security interest in the Ambulance to secure payment of the Purchase Price and all other sums owed by Customer to Atlantic. In the event of nonpayment by Customer of any debt, obligation or liability now or hereafter incurred or owing by Customer to Atlantic, Atlantic shall have and may exercise all rights and remedies of a secured party under the Uniform Commercial Code Secured Transactions (UCC) provisions as adopted by the Commonwealth of Virginia. In addition, Atlantic shall be entitled to recovery from Customer all of Atlantic’s reasonable attorneys’ fees and all costs of collection resulting from non-payment or other non-performance hereunder by Customer.

4. Delivery, Inspection and Acceptance. (a) Delivery. It is estimated that the Ambulance shall be ready for delivery F.O.B. (Yorktown Regional Service Center) within 24-28 months from the receipt of order, subject to delays caused by the Customer, delays caused by Change Order(s) or delays provided for in Paragraph 10 below. The stated delivery date is an estimate only and not guaranteed. Atlantic shall advise Customer when the Ambulance is ready for delivery. (b) Inspection and Acceptance. Upon delivery, Customer shall have fifteen (15) days within which to inspect the Ambulance for substantial conformance to the Specifications. In the event of substantial and material non-conformance to the Specifications, Customer shall furnish Atlantic with written notice sufficient to permit Atlantic to evaluate such non-conformance (“Notice of Defect”) within said fifteen (15)

day period. If the Ambulance is not in substantial and material conformance with the Specifications, any material and substantial defects shall be remedied by Atlantic within thirty (30) days from the Notice of Defect. In the event Atlantic does not receive a Notice of Defect within fifteen (15) days of Delivery, the Ambulance shall be deemed to be in conformance with the Specifications and fully accepted by Customer.

5. Notice. Any required or permitted notices hereunder must be given in writing at the address of each party set forth below, or to such other address as either party may substitute by written notice to the other in the manner contemplated herein, by one of the following methods: 1) hand delivery; 2) registered, express, or certified mail, postage prepaid, return receipt requested; or 3) nationally-recognized commercial overnight courier.
