

This purchase agreement (together with all attachments referenced herein, collectively, the "Agreement"), made and entered into by and between Atlantic Emergency Solutions, Inc., a Virginia corporation ("Atlantic"), and Kempsville Rescue Squad, Inc., ("Customer") is effective on the last signature date set forth on the signature lines below (the "Effective Date").

1. Purchase and Payment. Customer agrees to purchase and Atlantic agrees to sell to Customer the ambulance (and any associated equipment) furnished by Atlantic to Customer (hereinafter referred to, collectively, to as the "Ambulance") as more fully described in the specifications attached hereto as Exhibit A (the "Specifications") and incorporated herein for the total purchase price of \$616,000.00 USD (the "Purchase Price"). Payment shall be made as set forth on Exhibit A. In the event of a conflict between the Specifications and any request for proposal, request for bid, or other Customer provided or drafted documents, the Specifications shall control.

2. Changes to Purchase Price. If, subsequent to the Effective Date of this Agreement, there should be any price increase(s) to Atlantic from a manufacturer of the Ambulance (or any other party providing parts or materials for the Ambulance, or components therein), then the Purchase Price shall be automatically adjusted to reimburse Atlantic for said price increase(s). Atlantic may unilaterally execute Change Orders reflecting any such increase(s) to the Purchase Price without obtaining a signature from Customer, and any such Change Orders shall be binding on Customer. Atlantic shall make reasonable efforts to advise Customer of such price increase(s) within a reasonable time and provide documentation to support any changes in the Purchase Price to Customer upon request. In such event, Customer agrees to treat any pricing information provided by Atlantic as confidential and not share this information with any third party.

3. Changes in Specifications. If, subsequent to the Effective Date of this Agreement the manufacturer of the Ambulance (or a manufacturer of any component therein) either: 1) makes design and/or production changes, including, but not limited to future drivetrain upgrades (such as engine, transmission or axle upgrades) ("Manufacturer Modifications"); or 2) makes design or production changes to the Ambulance in order to comply with any applicable government regulation (such as the Federal Motor Vehicle Safety Standards or the Environmental Protection Agency Emissions Standards) or industry standards (such as those adopted by the National Fire Protection Association) (collectively, "Compliance Modifications"), then Atlantic shall be permitted to make delivery of the Ambulance with said Manufacturer Modifications and/or Compliance Modifications. Atlantic shall make reasonable efforts to advise the Customer of any such changes within a reasonable time. In addition, Customer and Atlantic may agree to make changes to the Specifications, but any such changes must be by written change order signed by Customer and Atlantic ("Change Order"). However, if there is an increase in cost to Atlantic resulting from Manufacturer Modifications and/or Compliance Modifications, then the provisions of Paragraph Two (2) above shall apply and Atlantic may execute Change Orders without obtaining a signature from Customer, and any such Change Orders shall be binding on Customer. Atlantic shall not be liable to Customer for any delay in performance or delivery arising from any Manufacturer Modifications, Compliance Modifications or Change Orders resulting therefrom.

4. Cancellation or Default by Customer. In the event that Customer cancels its order or otherwise breaches this Agreement by reason of non-payment or otherwise prior to delivery, Atlantic shall be permitted to retain possession and ownership of the Ambulance and shall not be obligated to deliver same to Customer. In addition, Atlantic and Customer agree that if such Customer breach should occur, it would be difficult to determine actual damages to Atlantic. Customer acknowledges and agrees that: 1) the Ambulance is a unique and highly customized vehicle, made specifically for Customer; 2) Atlantic has invested significant effort and incurred significant expense in the design and engineering of the Ambulance for Customer; and 3) due to its unique and customized nature, resale of the Ambulance will be difficult to a third-party without a significant loss to Atlantic. As a result, Atlantic and Customer agree that Thirty Percent (30%) of the Purchase Price is a reasonable estimate of the damages that would be incurred by Atlantic if a breach should occur in the future, and shall be due and payable to Atlantic by Customer in the event of such a breach. Customer and Atlantic agree that this amount of liquidated damages is fair and reasonable and would not constitute a penalty to Customer. In the event of non-payment by Customer subsequent to delivery, Atlantic may recover full possession of the Ambulance by any lawful means, and shall be entitled to any additional damages sustained by Atlantic as a result of any diminution of value of the Ambulance resulting from use or damage thereto to the extent that the amount of such diminution of value exceeds the liquidated damages above. Atlantic shall have and retain a purchase money security interest in the Ambulance to secure payment of the Purchase Price and all other sums owed by Customer to Atlantic. In the event of nonpayment by Customer of any debt, obligation or liability now or hereafter incurred or owing by Customer to Atlantic, Atlantic shall have and may exercise all rights and remedies of a secured party under the Uniform Commercial Code (UCC) Secured Transactions provisions as adopted by the Commonwealth of Virginia. In addition, Atlantic shall be entitled to

recovery from Customer all of Atlantic's reasonable attorneys' fees and all costs of collection resulting from non-payment or other non-performance hereunder by Customer.

5. Delivery, Inspection and Acceptance. (a) Delivery. It is estimated that the Ambulance shall be ready for delivery F.O.B. (Hampton Roads Regional Service Center) within 120 days from the receipt of chassis, subject to delays caused by the Customer, delays caused by Change Order(s) or delays provided for in Paragraphs Three (3) above and/or Eleven (11) below. The stated delivery date is an estimate only and is not guaranteed. Atlantic shall advise Customer when the Ambulance is ready for delivery. (b) Inspection and Acceptance. Upon delivery, Customer shall have fifteen (15) days within which to inspect the Ambulance for substantial conformance to the Specifications. In the event of substantial and material non-conformance to the Specifications, Customer shall furnish Atlantic with written notice sufficient to permit Atlantic to evaluate such non-conformance ("Notice of Defect") within said fifteen (15) day period. If the Ambulance is not in substantial and material conformance with the Specifications, any material and substantial defects shall be remedied by Atlantic within thirty (30) days from the Notice of Defect. In the event Atlantic does not receive a Notice of Defect within fifteen (15) days of Delivery, the Ambulance shall be deemed to be in conformance with the Specifications and fully accepted by Customer.

6. Notice. Any required or permitted notices hereunder must be given in writing at the address of each party set forth below, or to such other address as either party may substitute by written notice to the other in the manner contemplated herein, by one of the following methods: 1) hand delivery; 2) registered, express, or certified mail, postage prepaid, return receipt requested; or 3) nationally-recognized commercial overnight courier.

12. Manufacturer's Statement of Origin. It is agreed that the manufacturer's statement of origin ("MSO") for the Ambulance covered by this Agreement shall remain in the possession of Atlantic until the entire Purchase Price has been paid. If more than one Ambulance is covered by this Agreement, then the MSO for each individual Ambulance shall remain in the possession of Atlantic until the Purchase Price for that Ambulance has been paid in full.

13. Assignment. Customer may not assign its rights and obligations under this Agreement unless it has obtained the prior written approval of Atlantic.
