Board of Directors
Kempsville Rescue Squad Inc.
P. O. Box 62345
Virginia Beach, VA 23466

We are pleased to confirm our understanding of the services we are to provide for Kempsville Rescue Squad Inc. for the year ended June 30, 2025.

We will audit the financial statements of Kempsville Rescue Squad Inc., which comprise the statement of financial position as of June 30, 2025, the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements

Audit Objective

The objective of our audit is the expression of an opinion about whether your financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles. Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America and will include tests of your accounting records and other procedures we consider necessary to enable us to express such an opinion. We will issue a written report upon completion of our audit of Kempsville Rescue Squad Inc.'s financial statements. Our report will be addressed to the board of directors of Kempsville Rescue Squad Inc. We cannot provide assurance that an unmodified opinion will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion or add an emphasis-of-matter or other-matter paragraph. If our opinion is other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed an opinion, we may decline to express an opinion or withdraw from this engagement.

Audit Procedures

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, tests of the physical existence of inventories, and direct confirmation of receivables and certain assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will also request written representations from the Organization's attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will require certain written representations from you about the financial statements and related matters.

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the Organization or to acts by management or employees acting on behalf of the Organization.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements may exist and not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting, or misappropriation of assets that comes to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Our audit will include obtaining an understanding of the Organization and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. However, during the audit, we will communicate to you and those charged with governance internal control related matters that are required to be communicated under professional standards.

We may from time to time, and depending on the circumstances, use third-party service providers in serving your account. We may share confidential information about you with these service providers, but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures, and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, we will remain responsible for the work provided by any such third-party service providers.

Other Services

We will prepare the Organization’s federal information returns for the year ended June 30, 2025 based on information provided by you. We will also prepare the financial statements of the Organization in conformity with U.S. generally accepted accounting principles based on information provided by you.

We will perform the services in accordance with applicable professional standards, including the Statements on Standards for Tax Services issued by the American Institute of Certified Public Accountants. The other services are limited to the financial statement and tax services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities. We will advise management with regard to tax positions taken in the preparation of the tax return, but management must make all decisions with regard to those matters.

Management Responsibilities

You are responsible for establishing and maintaining internal controls, including monitoring ongoing activities; for the selection and application of accounting principles; and for the preparation and fair presentation of the financial statements in conformity with U.S. generally accepted accounting principles. You are also responsible for making all financial records and related information available to us and for the accuracy and completeness of that information. You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair

presentation of the financial statements, (2) additional information that we may request for the purpose of the audit, and (3) unrestricted access to persons within the organization from whom we determine it necessary to obtain audit evidence.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the Organization involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the Organization received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring the Organization complies with applicable laws and regulations.

You agree to assume all management responsibilities for the tax services, financial statement preparation services, and any other non-attest services we provide; oversee the services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of the services; and accept responsibility for them.

Engagement Administration, Fees, and Other

Kevin M. Allison is the engagement partner and is responsible for supervising the engagement and signing the report or authorizing another individual to sign it.

We understand that your employees will prepare all cash, accounts receivable, and other confirmations we request and will locate any documents selected by us for testing.

Fees for our services are based on the amount of time expended at our standard hourly billing rates, plus travel and any other out-of-pocket expenses. Invoicing for these fees will be done on a monthly basis and invoices are payable on receipt. Accounts over 60 days will be charged interest at the rate of 1.5% per month. We reserve the right to terminate our services hereunder at any time your account is overdue. We will consult with you in advance about the extension of services (and fees) resulting from any unexpected or undesirable condition which may be encountered.

We estimate that the total fee for our services will be between $2,500 and $2,600. Additionally, our estimate is based on the assumption that no unexpected circumstances will be encountered in the course of the audit, and that we have the full cooperation of your personnel. If we foresee that additional time may be necessary to complete the audit, we will discuss it with you and establish a new fee estimate in writing before additional costs are incurred.

Our audit report is being prepared for your management use. Should you wish to publish the report, you must obtain our written permission, as we have a professional duty to review any documents in which the report is incorporated.

Under the Internal Revenue Code and state tax laws, taxpayers are required to maintain records supporting their returns, including receipts and canceled checks for all deductible expenses. Kempsville Rescue Squad Inc. will be responsible for maintaining all necessary tax records and for the veracity and completeness of the information submitted to us in connection with the preparation of the above-described return.

As certified public accountants, we are obligated to call to the attention of the taxing authorities any position taken in your tax return which the IRS has not expressly accepted. However, we will resolve questions involving application of tax rules in your favor if there is reasonable justification for it.

Your returns are, of course, subject to review by the taxing authorities. Any items resolved against you by the examining agent are subject to certain rights of appeal. In the event of an examination, we will be available to represent you for an additional fee.

The completed tax return is for government and your internal management use only. Because it will not be prepared in accordance with generally accepted accounting principles, but rather according to the principles specified in the tax code, it could be misleading and therefore may not be quoted from or copied and provided to any other person without prior written consent. If management, with our prior written consent, reproduces the tax return, the report must be reproduced in its entirety, including all footnotes and disclaimers.

It is our policy to keep records related to these engagements for seven years. However, Corbin & Company, P.C. does not keep any original client records, so we will return those to you at the completion of the services rendered under this engagement. When records are returned to you, it is your responsibility to retain and protect your records for possible future use, including potential examination by any government or regulatory agencies. By your signature below, you acknowledge that upon the expiration of the seven year period, Corbin & Company, P.C. shall be free to destroy our records related to this engagement.

All disputes arising under this agreement shall be submitted to mediation. Each party shall designate an executive officer empowered to attempt to resolve the dispute. Should the designated representatives be unable to agree on a resolution, a competent and impartial third party acceptable to both parties shall be appointed to mediate. Each disputing party shall pay an equal percentage of the mediator's fees and expenses. No suit or arbitration proceeding shall be commenced under this agreement until at least 60 days after the mediator's first meeting with the involved parties. In the event that the dispute is required to be litigated, the court shall be authorized to assess litigation costs against any party found not to have participated in the mediation process in good faith.

We are pleased to have this opportunity to serve you. If the above fairly sets forth your understanding of the terms of our engagement, please sign this letter and return a copy of this letter to us. Please note that this letter defines our respective duties and responsibilities relating to our firm's engagement by you. If you do not understand any of the terms of this agreement, please call me and I will be happy to review them with you.

Sincerely,

CORBIN & COMPANY, P.C.

Kevin M. Allison, CPA
